- Moneyworks manager comes as with a full Windows[©] or Mac[©] installer. It can be installed in any convenient location on your hard drive.
- Download the Windows installer from here
- Mac DMG image coming soon...

Usage Basics

Budget module

The budget module allows you to:

- Set up a project that is linked to a Moneyworks department
- Retrieve a list of accounts from Moneyworks to use with that project
- Double-click on an account to show a spreadsheet-like window, where you can perform complex budget calculations.
- Send the result of your calculations to Moneyworks as either an A or a B budget for the account and department in question

Opening the application

- Double-click the Auspicous.exe file in the Auspicious folder
- If it asks you to locate a journal, it's in the same folder (or create a new one)

Setup your Moneyworks connection

1. Choose Projects > Moneyworks connection

1/4

8	-				
Connection Notes					
Connection type	Local file (Gold)	•	Input	Errors	
Datafile location (or filename if on Datacentre/Gold server)	C:\Documents and Settings \Adrian\My Documents\sussol	Choose	Type an expression here or o list	+ choose from the drop down	
Moneyworks location	C:\Program Files\Moneyworks Gold v6\MoneyWorks	Choose	E		
Doc user name				Execute	
Doc pass			Output		
If on Gold server					
Gold client license ke	У				
If on Datacentre/Gold se	irver				
IP addres	15				
Port number (leav blank for default					
If on Datacentre					
DC user nam	e				
DC pas	5				
Operating System of D	C Macintosh				OK

- 3. Connection type: Choose what type of Moneyworks you're connecting to.
- 4. **Datafile location:** Click **Choose** to locate a local Moneyworks data file or type the name of the data file on your Datacentre.
- 5. **Moneyworks location:** Click **Choose** to locate your Moneyworks Gold.exe file (it's in program files, if we're not mistaken).
- 6. **Doc username:** If you need a username to access the data file, enter it here (and a password below if needed).
- 7. Stuff on the right of the window: ignore it- it'll disappear soon. Feel free to play with it in the meantime if you want though.

Projects

• Choose **Projects > Show projects**

D	Name	Nanager	Dept	Created
1 Test project		John	mfl	4/14/2
7 Test 2		Craig	038	4/15/2
9 Acme		John	ABC	

• To add a new project, click **New**

	unique id:	10
Les Mis		
Richard Branson		
LMS		
19/4/11		
	Cancel	ОК
	Richard Branson	Les Mis Richard Branson LMS 19/4/11

- 1. **Name:** Fill in the name of your project
- 2. Manager: Enter the Manager name
- 3. Moneyworks department: You need to enter this exactly right
 - 1. Before you send your budget to Moneyworks, you'll need to have created the department in Moneyworks with the same code as you enter(ed) here.

Accounts

- 1. Once you've set up projects, double-click a project to view the Accounts and their budgets.
- 2. What? There aren't any? Click Get
 - 1. On a good day you'll see some of your Moneyworks accounts appear in the list.
 - 2. If not, you've not set up your connection correctly.
- 3. Double-click an account to see a spreadsheet view

			Total cell ref: 🛄

- 5. Note the field at top-right where you enter a cell reference- that's the totals cell.
 - 1. When you click **OK** the value in that cell will be saved as the budget value for the account.
- 6. When you're done, click **Send** and your accounts data will be sent to Moneyworks.
