Per Customer Pricebook version 2

Requires: Moneyworks v7

What it does

This Moneyworks script allows you to record and use a set of prices for each product for each of your customers. Prices can include price breaks for different quantities.

Installation

Double-click the script supplied by Sustainable Solutions. That's it. For viewing prices, you need to install the pricebook report we will supply you into the **reports** folder inside your **Moneyworks Custom Plug-ins** folder

Setting prices for a product

1. Show the product list by choosing **Show > Products**
2. Locate then highlight the product you wish to set a special price for
3. 
4. Click the **Pricebook** button in the toolbar
5. If the values are blank, you're adding a new product/customer combination. If values are already filled in, you're editing:

6. 
1. You only have to fill in a price. Other fields are optional
2. If there is no expiry date for the special prices, leave the field blank.

Viewing prices

1. To view prices, choose **Pricebook Report** from the reports menu:
2.
